Arizona Association of Health Plans

Relias Administrator/Supervisor Resources

Relias has several resources to help users with the Administrator and/or the Supervisor role in the Relias Learning Management System be successful.

Relias Connect

Access from the main menu on your organization's RLMS site. The following resources are available.

1. How to Manual
 - a. Step by Step Guide
 - b. Video Tutorials
2. Admin Support Webinars
3. Relias Support Contact Information

Relias Platform Admin Training Plans

1. Relias Platform Admin Training Plan – Basic
2. Relias Platform Admin Training Plan – Intermediate
3. Relias Platform Admin Training Plan – Advanced

Submit a ticket to support to request the training plans and accompanying modules be added to your Relias site for administrators to complete as a learner. Enrollment in these training plans to be managed by the site, not Relias.

Relias Platform Supervisor Training Plans

1. Relias Platform Supervisor Training Plan – Basic
2. Relias Platform Supervisor Training Plan – (Reports)
3. Relias Platform Supervisor Training Plan – (User Management)

Submit a ticket to support to request the training plans and accompanying modules be added to your Relias site for supervisors to complete as a learner. Enrollment in these trainings plans to be managed by the site, not Relias.

Monthly Arizona Provider Training Call

The AzAHP Workforce Development Alliance will host a monthly provider training call. A portion of that call will be reserved for Relias updates and training opportunities related to Relias. For more information on the schedule and call in information, email workforce@azahp.org.
