

# Introducing Relias: Your Go-To Destination for Learning

As part of your organization's benefits you have access to an eLearning education platform called Relias.

Got internet connection? Then you've got a direct link to Relias! You can access your training through your web browser or the mobile app. Our content is designed to be engaging and interactive, targeting multiple learning styles, so you will have plenty of options to choose from!

Log in today to take advantage of these features:

- + **View** your upcoming training on your personalized assignments page.
- + **Enter** your license and/or certification information to be able to:
  - Complete continuing education (CEUs) coursework at no cost to you!
  - Search and filter for courses approved for your specific license and/or certification.
  - Receive a reminder that your license and/or certification is coming due for renewal.
  - Print and email CEU certificates for recertification credit. *Depending on your license, completions may automatically be sent from Relias to CE Broker.*
- + **Expand** your knowledge and skills through professional development courses. Explore the course library for all your elective options!
- + **Browse** on-the-go training for quick refreshers on specific topics.
- + **Take training** as your schedule allows—pause and resume modules at your convenience.
- + **Stay updated** on the latest news within your organization through the Announcements on your Relias dashboard.
- + **Check out** the Resources section to view company policies and procedures.
- + **Access** our self-service Help center to learn more about navigating the platform.
